Holiday Angels 2019

It is the time of the year again when Farmington Youth Assistance is asking the community for assistance through its **Holiday Angels** program. This Holiday season, we are supporting families who need assistance in the community by providing them a shopping experience with your donations. We are assisting families with children 13 and older, who aren't serviced by other agencies. Please consider donating unwrapped gift items, gift cards and personal/household items. **Cash donations** are also welcome and we will do the shopping for you. By visiting our website www.ffhya.org, you can make a monetary donation through PayPal.

As always, we appreciate your support and donations to make the holiday season little brighter in our community!
